

Case Study

Location: The Royal Hampshire County Hospital, Winchester, Hampshire

Project Value: £80,000.

Project Partners / Client: Winchester and Eastleigh NHS Trust.

Architect / Lead Consultant: Altus Andrews.

Quantity Surveyor: Altus Andrews.

Project Vision:

Alterations to Clarke Ward: The project consists of the refurbishment and reconfiguration of the existing bathrooms, toilets and ward kitchen to provide modern patient facilities for Clarke Ward, a Cardiology / General Medicine Ward within the RHCH site in Winchester.

Altus Andrews are appointed to provide full project management, design and cost planning services for the scheme from its inception and through to completion on site. We are responsible for the preparation and end user approval of the scheme design, preparation of the tender documentation and review of the tender returns. We will then continue with all post contract administrative duties through to handover of the project and agreement of the final account.

The works are presently in the tender preparation stage and are programmed to complete during the latter part of 2009.
